

Students

Their passion for learning is boundless. Together we cultivate a vibrant community dedicated to education and human services.

Faculty

Our distinguished faculty teach and inspire while pursuing research and scholarship that shape our world.

Community

We serve the Commonwealth, the nation, and the world by forging partnerships and supporting faculty and students in sharing their academic discoveries for the betterment of society.

As one of the leading education schools in the country, the School of Education and Human Development is fueled by the generosity of alumni, parents, and friends. Your gifts enhance the educational experience for our students and increase the impact of the School's research and clinical practices on the local community and the nation.
