# **Entering and Viewing Strategy Notes in EverTrue**

A prospect **Strategy** is an overarching statement of a long-term approach to be taken with a prospect and is required for any prospect beyond the qualification stage in major, planned, leadership annual, and principal gift portfolios.

### Entering a Strategy Note in EverTrue

Strategy notes are a specific type of **Interaction** in EverTrue and can be entered through the **Constituent Profile**. \**Note:* While you can view strategy notes in both EverTrue and Advance, they are entered through EverTrue only. No strategy notes can be entered into Advance.

Begin on the **Constituent Profile** for the individual you plan to solicit. Select the purple **Actions** button in the upper right corner to open the drop-down menu. Select **Add Interaction** to open the EverTrue interactions form.
