

WHAT REPORTING OPTIONS EQUAL UVA HEALTH?

I. UVA Health = Three **Schools/Colleges**

1. Medical Center (HOSP)
2. Medical School (MED)
3. School of Nursing (NUR)

Special Note: II-IV are just sub-categories of the three schools/colleges that make up UVA Health.

II. UVA Health includes the following **Areas/Divisions**

1. Cancer Center (CAN)
2. Children's Hospital/Children's Medical Center (CMC)
3. Diabetes (DIA)
4. Neurosciences (NEU)
5. Organ Transplantation (ORT)
6. The Heart Center (CVI)

III. UVA Health includes numerous **Departments**

- There can be multiple listings for one department
- Most of our departments start with
 - **HO or HO-** for Hospital/Medical Center accounts
 - **MD or MD-** for Medical School accounts
 - **A Nursing/U Division of Nursing** for School of Nursing accounts
- There are some odd ones – so double-check the list

IV. There are numerous **Agencies** that make up UVA Health, but the most commonly used ones for reporting include the Med School Foundation/Med Alumni Assoc, Health Foundation, and Community Health/Hospitals.

- Choose the **Medical Foundation (ME)** agency to see giving to/allocations for MSF/MAA
- Choose the **Virginia Health Foundation (HF)** agency to see giving to/allocations for Health Foundation
- Choose the **UVA Community Health Foundation (CH)** agency to see giving to/allocations for Community Health/Hospitals

UVA Health Affiliations = Cancer Center (CAN), Children's Medical Center (CMC), Heart & Vascular Center (CVI), Hospital (HOSP), Health Sciences (HSC), Medical School (MED), School of Nursing (NUR)

EXAMPLES:

If you want to see giving to UVA Health – choose the Medical Center, Medical School, and School of Nursing **Schools**.

If you want to see giving to Cancer Center – choose the Cancer Center **Area/Division**.

If you want to see giving to Dermatology – choose all the Hospital and Medical School Dermatology **Departments**.

If you want to see giving to the Health Foundation – choose the Virginia Health Foundation **Agency**.

Note: Most reports will include the school, area/division, department, and agency fields no matter what you pick (i.e.: if you run a giving report using the 3 UVA Health Schools, you will see an area/division column in the results – so you could filter this report by the CAN area/division column to see all giving to Cancer only).

UVA Health Development (HD) Units & Programs = Cancer Center, Children's Hospital, Community Hospitals/Health, Health System, Healthcare Philanthropy, Medical Foundation, Medicine, School of Nursing, UVA Brain Institute (for portfolio pulls and specific reports where development officers and/or their units/programs are options.)
